RULES AND REGULATIONS

INTERNATIONAL UAW FINALS BOWLING CHAMPIONSHIP TOURNAMENT

10-PIN FINALS CHAMPIONSHIP

1. Any UAW sponsored (10-pin) tournament affiliating with this event must be standardized to include a Team Event and have identical average and eligibility rules and the same handicap systems. All team members must be an active, retired member or a spouse to be eligible member.
2. Two dollars (\$2.00) per team of total prize fees from the affiliated tourneys (Team Event only) must be transferred to the Finals Championship. One dollar and seventy five cents (\$1.75) of this fee together with the supplementary fees will formulate the prize list for the above mentioned event (to be returned 100%).
3. Competition will be three games on two lanes. Qualifying scores will be taken from Team Events only, based on total score for three games with handicap added.
4. Entry limited to regional members, their spouses and retirees. Honorable withdrawal cards accepted if dated after January 1, 2012 and approved by area and/or regional tournament committee. A bowler can participate only once in an affiliated tournament and in only one affiliated tournament.
5. Equal opportunity will be permitted for women members to participate in a separate division, but not both. USBC and eligible non-USBC members may participate in a moral support tournament with high score recognition automatically extended to USBC members. Mixed teams are entered in the Men's Division.
6. Eligible non-USBC members can obtain high score recognition by purchasing an unattached membership card prior to bowling paid by check only. Upon receipt of fee, USBC will issue an unattached individual membership card.
7. Use highest league average -- **TWENTY-ONE GAMES OR MORE IN 2010-2011**. (Refer to City or appropriate Association Yearbook.) Averages established in summer leagues will be acceptable only if such averages have been recorded and maintained by the local association secretary and are verifiable. Bring verification from league secretary.
8. In case of no 2010-2011 average, said bowler may establish an average by bowling TWENTY-ONE games or more as of December 31, 2011. If average is established in this manner, the highest established current average as of the start of the tournament will be used. Bring verification from league secretary. All others bowl scratch - men 180, women 165.
9. When the 2010-2011 highest league average is used and at the time of scheduled date of bowling, an entrant has a current season's average of 21 or more games which is 10 or more pins above 2010-2011 average, **CURRENT SEASON'S AVERAGE MUST BE USED**. Bring verification of current average from league secretary.
10. Bowlers are cautioned to familiarize themselves with the re-rating requirements of USBC Rule #319E and Rule #319. Rule #319 applies to all participants.
11. Any bowler whose average has been re-rated by their local association must use their re-rated average in this tournament.
12. Any bowler, who has qualified for a prize of \$300 or more in any event in a tournament within the previous 12-month period, must report their actual score, position and amount won at the time of entry and is subject to possible re-rating before bowling. Failure to accurately report averages and/or prize winnings the previous 12-months can result in disqualification. If contestant reports a higher average than true average, no correction will be made and they will be handicapped accordingly. If a lower average than the true average is submitted, contestant may be disqualified and subject to suspension from USBC membership.
