RE: **Tuition Assistance Program (TAP)**

Greetings:

Great things are happening at the UAW Chrysler National Training Center. I am very happy to announce that the Tuition Assistance Program (TAP) is back. This newly designed program requires some tweaking and fine-tuning, but all in all, I am certain it will meet our educational needs.

I will be sending out another communication in the New Year announcing the launch of this new Tuition Assistance Program. Once this program is launched, it will be handled in-house by our very own UAW Chrysler Joint Program staff.

Please share this information with your membership.

Fraternally,
